

# MK3 LIP LIGHT.

The MK3 Lip Light (NSN:6230-01-411-0813) is a focused short-range lighting tool providing the operator with immediate supplemental light to aid in the performance of critical tasks.

Originally developed by Cejay Engineering in the 1980's, the Lip Lights design provides Pilots a hands-free illumination device for use during night flight operations. The MK3's universal mounting system allows the Lip Light to be mounted to virtually any single or twin wire boom making the light simple to install and deploy.

The MK3 Lip Light uses one SPOT and three FLOOD Super Bright LED's to light the work area. The operator can easily switch between SPOT, FLOOD or SPOT and FLOOD light modes to change the size of the area illuminated via the single mode function button on the front of the unit. SPOT and FLOOD LED's can be ordered in different color combinations allowing the same light to be used in different roles. The mode function button also allows the operator to adjust the lights brightness level providing additional flexibility.

The Lip Light is activated by depressing the lip switch on the back of the unit. The operator can either select from ON/OFF or momentary switching. The MK3 Lip Light is available with either a Standard (904216) or Soft Touch (904217) lip switch. The Soft Touch lip switch is suitable for easily bent flex booms such as those booms supplied with Bose®, and MSA Sordin® Headsets. Powered by 2 AA batteries it gives weeks of exceptional operational performance.

---

Weight	Light and Cable 0.6 Ounce   17 Grams Battery Pack - 2.1 Ounces   59 Grams with batteries
Size	2.4" x 0.7" x 0.78"   61mm x 18mm x 20mm
Light Modes	SPOT, FLOOD and SPOT and FLOOD
Light Intensity	User controllable brightness level
Switching	Lip switch
Battery	2 AA Alkaline or Lithium Batteries
Configuration	3 Flood and 1 Spot Light Emitting Diodes (LED).
Mounting	Universal Mounting
National Stock Number	MK3 Bright Green (904216G) NSN:6230-01-613-9871, MK3 Bright Green/White (904216GW) NSN:6230-01-613-9865, MK3 White (904216W) NSN: 6230-01-613-9868, MK3 Night Vision Green/White(904216NVW) NSN: 6230-01-613-9887
