NSN: 8455-01-475-8886

DN 2000 Danish Flag
NSN: 8455-01-475-8809

Warrior GloTape Subdued Infrared (IR) NATO and Coalition Partner Reflective Flags are manufactured from specially-formulated material that only reflects infrared wavelengths when illuminated by light sources such as targeting lasers. When viewed with military night vision IR systems, the reflected IR light provides a simple marking method that identifies friendly persons to team members at distances up to 800 meters. Flags are 53.9mm x 76.2mm and available with Velcro hook, peel-and-stick, or Sew On backing.
